1. The Yummie Culinary Competition will take place on Sunday, June 2, 2024, during the Casa Pacifica Angels Wine, Food & Brew Festival. There will be 2 judging categories—SAVORY and SWEET—and the competition is blindly judged.
2. All judging will take place in the official YUMMIE pavilion. Each participating restaurant will be given one full size presentation plate and a stack of 6-inch round sample plates that MUST be used for the competition.
3. Competitors must be set up and have 6-8 samples ready for a YUMMIE volunteer to pick up for the first round of judging during the estimated time block provided at the beginning of the day. Any competitors who do not comply will be disqualified.
4. If you are chosen as a semi-finalist, 12-14 additional samples will be required. Additional 6-inch round plates will be provided.
5. The food samples submitted for judging must be identical to the samples offered to Festival guests.
6. Food will be judged by the following criteria: Flavor (10 points), Presentation (10 points), Innovation (10 points), Practicality (10 points), and Quality of Product (10 points) for a total of 50 points.
7. Awards will be given for 1st, 2nd, and 3rd place in SAVORY and SWEET categories. All winners will receive an award, special recognition, two VIP tickets and preferred booth placement at next year's Festival. 1st Place winners in both categories will also receive an extensive advertising prize package.
8. Festival management reserves all rights to make final decisions regarding any rules or proceedings throughout the course of the Festival and the Yummie Culinary Competition.
9. To register for the Yummie Culinary Competition please go to cpwinefoodbrewfest.com and sign up as an exhibitor for the Festival. Be sure to **click the YUMMIE box when you register** and agree to the Yummie Culinary Competition rules. Registration for the Yummie Culinary Competition IS NOT COMPLETE without agreeing to the rules.

**In the spirit of this competition, it is expected that all entries are primarily comprised of elements created/cooked by each chef, highlighting his/her culinary talents, and not a compilation of pre-existing food items combined together.*
